

Child Development Block Grant Information

The Child Development Fund (CCDF) Plan is based on federal requirements tied to the Child Development Block Grant renewal, which funds CCAP and several other programs in Minnesota. All licensing changes would affect EVERY licensed provider, regardless of CCAP status. DHS will submit their proposals to legislators after reviewing the comments (by January 11) and then most of the plan requires Legislative approval to be in effect. The federal deadlines are from 2016-2018. So, it was an active Legislative session in 2016 and will be in 2017.

We've included links to the Power Point, video of the December 11, 2015 meeting about the proposed plan, and the 152-page plan.
